

**1.**

**2. Personal and Contact Information:**

**First and Last Name:** Parastoo Baharvand

**Academic Rank:** Associate Professor

**Personal Email:** dr.baharvand@gmail.com

**Academic Email:** baharvand.p@lums.ac.ir

**Mobile Number:**09123951482

**Office Phone Number:**06633120133

**Fax Number:**

**Date of Birth:**23/9/1975

**Marital Status:** married

**3. Education:**

**MD: (Field of Study, Name of University, Year Graduated)**

Medical education. Lorestan University of Medical Sciences. (1996-2002)

**MD Thesis: (Title, Supervisor, Advisors)**

The frequency of acute Renal failure in patients admitted to Khorram Abad Taamin

Ejtemaee Hospital in 2002

### **Resident: (Field of Study, Name of University, Year Graduated)**

Community Medicine residency. Iran University of Medical Sciences, Tehran, Iran.  
(2004-2007).

### **Resident Thesis: (Title, Supervisor, Advisors)**

Incontinence quality of life questionnaire (I-QOL): Translation and validation study of the Iranian version

#### **4. Awards & Honors:**

- a. Top teacher of the university in 2017
- b. Top Provincial Researcher in 2019
- c. Obtaining the best researcher in the field of clinical sciences in 2017,2018. 2022
- d. Obtaining the first rank in the field of top university judges in 2018,2022

#### **5. Scientific Position:**

**1. Assistant Professor of Medicine** (Department of community medicine, lorestan University of medical science, during2011-2020)

**2. Associate Professor of Medicine** (Department of community medicine, lorestan University of medical science, during From 2020 until now)

#### **6. Executive Position:**

- a) Faculty member of the Community Medicine Department since 2010
- b) Director of the curriculum of medicin doctor course of medical school during2010-2011
- c) Head of the Education office of the medical school from(2011 to 2014
- d) Director of EDO Office of the School of Medicine (2010-2015)
- e) Director of Social Medicine Department during (2014-2018)

- f) Member of the University Education Council during( 2014-2018)**
- g) Member of the Research Center of Social determinant of Health**
- h) Participate in the design and selection of comprehensive basic science exam questions at Jundishapur University of Medical Sciences.**
- i) Designing a "Log Book" of a social medicine internship course.**
- j) Member of the Curriculum Planning Committee since 2021 until now.**
- k) Member of the University HSR Committee in 2008-2009**
- l) Director of the clinical competency assessment of medical students in the School of Medicine From 2015 to 2017.**
- m) Member of Statistics Committee of Lorestan University of Medical Sciences in 2014.**
- n) Acting as external observer during three courses of clinical competency exam for medical students held in Ahvaz**
- o) Cooperation in holding five clinical competency exam for medical students in Ahvaz**
- p) Member of the Accreditation Committee of the Faculty of Medicine and manager of accreditation program in the first area of the from 2019 up to ow**

## **7. Teaching Experiences:**

- a. Teaching Principles of health services, Principles of epidemiology, Medical Demography, Maternal and child health, and diseases Epidemiology For medical students.(from2010 until now)**
- b. Teaching health and social medicine internships for medical students.( .from2010 until now)**

- c. Teaching the Principles of epidemiology course for senior nursing students (2010-2012).
- d. Teaching the community health course for dental students of Lorestan University of Medical Sciences. (2010-2017).
- e.
- f. Teaching the Biostatistic course for medical students of Lorestan University of Medical Sciences. (2013-2017).
- g. Teaching the geographical pathobiology course covering the Iranian plateau for the first time to public health experts in 2009-2011

## **8. Research Field:**

- a. Health Literacy
- b. Social determinant of health
- c. Disease screening
- d. Epidemiology of Diseases

## **9. Supervisor:**

- Thesis in General Medicine entitled" Investigating the Factors Affecting the Relapse of Addiction from Perspective of Patients Referred to Addiction Treatment Centers of Khorramabad City in 2013
- Thesis in General Medicine entitled" Investigating prevalence of peripheral neuropathy in diabetic patients referred to Khorram Abad diabetes center in 2014.
- Thesis in General Medicine entitled" Investigating of Mental Health and Related Factors in Physicians Working in Hospital in 2015

- Thesis in General Medicine entitled" Investigating of the responsiveness of the health system towards patients referred to teaching hospitals in Khorram Abad city
- Thesis in General Medicine entitled" Investigating of family social support for teenagers with type 1 diabetes
- Thesis in General Medicine entitled" Investigating of Screening of endocrine disorders in patients with celiac disease referred to the gastroenterology clinic in 2017
- Thesis in General Medicine entitled" Investigating of health literacy in patients with type 1 diabetes and its relationship with blood sugar control
- Thesis in General Medicine entitled" Investigating of Injuries Caused by Occupational Accidents in Patients Admitted to Teaching Hospitals of Lorestan University of Medical Sciences, Iran (2016-2021)
- Thesis in General Medicine entitled" Comparison of perceived anxiety and social support in pregnant women with high blood pressure with healthy pregnant women referring to Shahid Rahimi Hospital.in2022
- Thesis in General Medicine entitled" Investigating of personality types in patients with coronary heart disease hospitalized in 2020
- Thesis in General Medicine entitled" Comparison of epidemiological and clinical characteristics of patients who died and those who recovered from covid-19 admitted to Shohday Ashair Hospital in the first half of the year in 2020
- Thesis in General Medicine entitled" Epidemiological study of colorectal cancer in Lorestan province( 2013-2018)
- Thesis in General Medicine entitled" Investigating of the epidemiology of diabetes in a period of 5 years in Lorestan province(2013 to 2017)
- Epidemiological study of blood pressure in a ten-year period in Lorestan province. (2012-2022)

- Thesis in General Medicine entitled" Investigating of health literacy of pregnant mothers referring to health centers in Kohdasht city and its relationship with prenatal care in 2017-2018

- Thesis in General Medicine entitled" Investigating the age-standardized incidence rate of Gastrointestinal cancers (esophageal, stomach, small intestine, colon and rectal cancer) in Lorestan province in 2018

- Thesis in General Medicine entitled" Investigating of Perception of hypertension and adherence to hypertension treatment in patients referred to Shahid Rahimi Hospital in 2019

- Thesis in General Medicine entitled" Investigating of health-promoting behaviors in hypertensive patients referred to Hospital compared to healthy individuals

#### **10.Advisor:**

-Investigation of the prevalence of obsessive-compulsive disorders in opioid-dependent patients referred to addiction treatment clinic in 2013.

-Investigating health-promoting behaviors in women in Khorramabad

-Investigation of the status of breast cancer screening in women referring to health centers in Khorramabad in 2016

-Investigation of complementary nutrition status and related factors in infants in Khorramabad in 2017.

-Investigating the prevalence of vaccination complications in children under 1 year of age in Lorestan province

-Investigating the status of cervical cancer screening and its related factors in women referring to Khorram Abad Health Center in 2019

- Investigating the quality of life of nurses working in Khorramabad hospitals and the effect of occupational and demographic factors on them in the first 3 months of the corona outbrea
- Investigating the level of benefit and satisfaction with prenatal care in pregnant women referring to Khorramabad health centers hn 2023
- Investigating the prevalence and musculoskeletal risk factors in nurses working in Khorramabad hospitals in 2024
- Statistical consultant in theses of doctors medicine, general dentistry, MSc and residency since 2012 to now
