Education

- ❖ *Specialty/PhD (Department of Pharmaceutical, School of Medicine, Isfahan University of Medical Sciences, Isfahan, Iran,2020)*

Thesis: designing of a scaffold containing silsesquioxane nanoparticles for controlled release of calcitonin in bone tissue engineering application.

Supervisor: prof. Jaleh Varshosaz

- ❖ *Master of science (Department of pharmacy, shiraz university of medical sciences, shiraz, Iran,2014)*

Thesis: Effect of insulin NPH on established diabetic nephropathy in streptozocin- treated diabetic rats.

Supervisor: prof. hossein mirkhani

Experiences

1. Scientific position

Assistant professor

2. Clinical Experiences

3. Teaching Experiences

Physical Pharmacy
Pharmaceutic
Biopharmacy
Cosmetic

Grants

Supervisor

Advisor

Publication

Book

Articles

1. Articles

- 1) *Calcitonin-loaded octamaleimic acid-silsesquioxane nanoparticles in hydrogel scaffold support osteoinductivity in bone regeneration. Pharmaceutical Development and Technology, 2021, 26(2), 220–232.*

- 2) *Polyhedral oligomeric silsesquioxane /platelets rich plasma/gelrite-based hydrogel scaffold for bone tissue engineering. Current Pharmaceutical Design, 2020, 26(26), 3147–3160.*
- 3) *Nanocrystallization of Pioglitazone by Precipitation Method. Drug Research, 2018, 68(10), 576–583.*
- 4) *Crystal Engineering for Enhanced Solubility and Bioavailability of Poorly Soluble Drugs. Curr Pharm Des, 2018;24(21):2473-2496.*
- 5) *A review of the most important medicinal plants effective on cough in children and adults. Der Pharmacia Lettre, 2016, 8 (1):90-96.*
- 6) *Iran's medicinal plants effective on fever in children: A review. Der Pharmacia Lettre, 2016, 8 (1):129-134*
- 7) *An overview of the most important medicinal plants affecting on child's*
- 8) *jaundice in Ethnobotanical resource of Iran. Der Pharmacia Lettre, 2016, 8 (1):135-139*
- 9) *The importance of some native medicinal plants of Iran effective on Gastrointestinal disorders in children: A review. Der Pharmacia Lettre, 2016, 8 (1):61-66*
- 10) *A review of medicinal herbs affects the kidney and bladder stones of children and adults in traditional medicine and ethno-botany of Iran. Der Pharmacia Lettre, 2015, 7 (12):279-284*
- 11) *Neonatal jaundice treatment with Iranian native medicinal plants: *Cotoneaster persicus*, most important medicinal plant affecting on neonatal jaundice. Der Pharmacia Lettre, 2015, 7 (12):313-315.*
- 12) *Ethnobotanical identification of medicinal plants effective on toothache in Shiraz, south Iran. 2015, 7 (12):419-426.*

Abstract

1. International

- 1) *Diet therapy for epilepsy. “12th international congress on epilepsy, 20-22 January 2016.”*
- 2) *Evaluation of children with idiopathic thrombocytopenic purura. “27th international congress of pediatrics, October 2015.”*
- 3) *Helicobacter pylori infection and chronic urticarial. “27th international congress of pediatrics, October 2015.”*

2. National

- 1) *Red blood cells as drug delivery system. “20th Iranian Pharmacy Students' Seminar.14 April 2017.*
- 2) *Dissolution enhancement of pioglitazone using in situ Nanocrystalization by precipitation method. “20th Iranian Pharmacy Students' Seminar. 14 April 2017.*
- 3) *Effect of insulin NPH on established diabetic nephropathy in streptozocin- treated diabetic rats. “14th Iranian pharmaceutical sciences congress, 21-24 December 2015.”*
- 4) *Evaluation of hospitalized children with henoch-schoenlein purpura. “9th annual congress of Iranian rheumatology association.7-9 October 2015.”*
- 5) *The Study of Relationship between Selenium Serum Level in Asthmatic Children referred to Shahid Madani pediatric’s Clinic in Khorram Abad. “3th International Congress of Immunology, Asthma and Allergy. Submitted on 5/12/2016. ”*

Reviewer of national and international scientific journal

Reviewer of 22nd iranian pharmacy students seminar

Editorial Board of Medical Journals

workshop

- 1) *SDS-PAGE workshop held by the central laboratory University of Isfahan,2020.*
- 2) *Quantitative X-ray diffraction analysis workshop held by the central laboratory University of Isfahan, October; 2016.*
- 3) *International congress of the Islamic republic health road map held by health policy research center in medical science in November; 2014.*
- 4) *The 1st international congress and 6th national conference of E-learning in medical science in Shiraz, October; 2013.*
- 5) *International congress of healthy view in medical science in shiraz, October; , 2013.*

- 6) *2nd Royan international summer school, developmental biology and Stem cell Royan institute in Tehran, July; 2011.*
- 7) *The first international student congress on Cell and molecular medicine in Shiraz, February; 2011. Three–days theoretical Stem cell workshop held by the research committee of the international branch in Shiraz, October; 2010.*
- 8) *One– day theoretical and practical stereology workshop held by the research committee of the international branch in Shiraz, October; 2010.*
- 9) *A.6 hour training tour course of medicinal plants introduction, kooh Gol ,Yasouj university of medicinal sciences.*
- 10) *A 12–hour extraction training course in Yasouj university of medicinal sciences (prof.Azizi, prof.Sadeghi)*

Interest

- *New drug delivery in pharmaceutical research*
- *Tissue engineering and design scaffold*
- *Pharmacological science*
- *Animal model of disease*
- *Stem cell research*
